

NZ Concrete Contractors Association

Vision, Purpose, Values

Vision

To lead and promote concrete contractors within the industry by raising the standard and profile of our concrete contractors, and supporting our members into the future.

Purpose

The NZCCA will promote, develop and represent the interests of concrete contractors by working in collaboration with stakeholders through assisting in development and growth within our industry.

Values

Strive for Excellence

Both professionally and personally by being fair and honest in all of our dealings.

Keep our People Safe

By working with industry advocates to provide our members with information and resources.

Passionate

About our industry – the work we do and the people in it.

One Team

Working cohesively to achieve our goals.

Leadership

Through mentorship and guidance – of the Board, our members, our clients and the public.
